

WINTER SOLSTICE

By the light of the winter's longest night, we raise our horns to the ancient sky. As the sun's strength returns, so does our spirit. To kinship, to warmth amidst the cold, and to the promise of new beginnings. Skål to the Winter Solstice, where darkness yields to the coming light!

Roast bone marrow, caramelised onion glaze, charcoal dust,
house made seeded rye bread
Horn of Battlecry Pale Ale

Pear, parsnip and potato soup, roast walnuts, dill oil
Mjølner Mead

Herb crusted rib eye roast, horseradish cream

Creamed polenta, red wine jus
Fermented cabbage, bronze fennel fronds
Yangarra Noir GSM

Smoked almond pie, fermented berry compote
Mulled Mead

WINTER SOLSTICE
22 JUNE 2024
